With this option, the collegiate plate will keep the same expiration date as the plate being replaced. However, since the expiration date will remain the same, they will not get a full year's benefit of the \$25.00 or \$10.00 special fees. Fees for obtaining the plate using option 2 are as follows:

The full year registration fee normally due for the vehicle. For passenger cars, this fee will be \$17.00, \$25.00, or \$30.00 depending on the vehicle's unladen weight. For qualifying pickups (see restrictions) the full year fee is \$21.00.
