How long have you known this person?	Phone Number

If you are accepted into the program and complete the requirements, you will be eligible for an AmeriCorps Education Award. You will receive a voucher after you have exited the program that you can use to pay back qualified student loans or pay for the cost of attending a qualified institution of higher education. Not all schools or loans are eligible. The payment will be made to the school or loan holder designated by the member. It cannot be made to the AmeriCorps member. Schools, however, may reimburse students for certain expenses they paid for out-of-pocket. Members can split up their awards to pay a combination of student loans and/or educational expenses. Members have seven years from the end of their term of service to use the award.

What are your current/future plans for higher education or training?

Extra-curricular activities:

What are your reasons for being interested in the program?
