Dear Dr. John W. Miller Jr.;

Congratulations! Your chapter has been selected to receive the Phi Alpha Chapter Service Award for 2009. Your chapter report was most impressive and we are pleased to make this award. Thanks so much for your hard work. We enjoyed reviewing your package and were interested in hearing about your activities, especially your commitment to form a strong Nu Delta Chapter through monthly meetings and participate in events to strengthen the bond between chapter members and the community. The Chapter's outstanding leadership to provide speakers, workshops and events to further the academic achievement of social work students was also impressive. Overall, you do a great job in promoting the profession of social work.

Enclosed, you will find a check for \$500 which may be used in a way you see fit related to Phi Alpha's mission. We invite you to share information about your chapter and your service award at the annual program meeting (APM) of the Council on Social Work Education if you are able to attend. We will display your service award application at our Phi Alpha booth at both APM and the Baccalaureate Program Directors meetings. Please let us know if you plan to attend APM and we will put you on the agenda.

Best wishes in the future and keep up the great work!

Sincerely,
